"Mojahid": Mojahedin Khalq Organization's Daily
Vol.1, No.36 Wed. April 9, 1980
Let's create another Vietnam for the U.S. Message of
Imam Khomeini On Occasion of U.S. Breaking Ties
With Iran.

MKO Congratulates Iranian Nation on Breaking Diplomatic
Ties With U.S. and Calls For Total Break off.
As long as we enjoy the anti-imperialistic decisiveness of Imam
Khomeini, and as long as there are sincere, noble revolutionaries,
and most importantly, as long as the combatant people of Iran
do exist, we would benefit from imperialists' pressures and
threats in order to develop our revolution and freedom of our
people. The imperialists and their mercenaries are the ones who
should be fearful of creating another Vietnam for themselves.
